ASSEMBLY BILL

No. 1015

Introduced by Assembly Member Torlakson
(Coauthor: Assembly Member V. Manuel Perez)
(Coauthor: Senator Padilla)

February 27, 2009

An act to add Section 381c to the Penal Code, relating to nitrous oxide.

LEGISLATIVE COUNSEL'S DIGEST

AB 1015, as amended, Torlakson. Nitrous oxide: prohibit sale to minors.

Existing law makes it a misdemeanor for any person to possess nitrous oxide or any substance containing nitrous oxide, with the intent to breathe, inhale, or ingest for the purpose of causing a condition of intoxication, elation, euphoria, dizziness, stupefaction, or dulling of the senses or for the purpose of, in any manner, changing, distorting, or disturbing the audio, visual, or mental processes, or to knowingly and with the intent to do so be under the influence of nitrous oxide or any material containing nitrous oxide.

This bill would provide, in addition, that it is a misdemeanor; ~~punishable as specified,~~ to sell or give away a device, canister, tank, or receptacle exclusively containing nitrous oxide, or exclusively

containing a chemical compound mixed with nitrous oxide, to a person under 18 years of age, as specified. *The bill would specify that it is a defense to this crime that the defendant reasonably believed that the minor involved in the offense was at least 18 years of age.* The bill would require a court to suspend the business license of a repeat offender under these provisions, except as specified. The bill would provide that its provisions do not apply to the sale of nitrous oxide contained in food products for use as a propellant or to the administration of nitrous oxide by licensed medical and dental practitioners or those they supervise, as specified. By creating a new crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
